(Please Note: Despite appearances, this is not an in-character document. The answers below should be filled out by the player using the first thing that comes to mind for each answer. The more absurd your answers, the more interesting things the Warden has to pull from to craft the adventure.)

- 1) Please write an action that you can take in relation to another person or object: _____
- 2) Please name an object. It does not need any personal significance: _____
- 3) Please note a place. Maybe somewhere you would never want to visit: _____
- 4) Please provide the name of an individual, nationality, or profession: _____
- 5) Please name an animal that you find threatening, interesting, or attractive: _____
- 6) Name one obstacle, or something that could keep you from completing a goal: _____
