PURGATORY HOUSE

a Pick-Up & Play Haunted House Role Playing Game

Purgatory House is a horror themed, haunted house role-playing game for three or more players. No preparation is required to play. All you need are two decks of regular playing cards, some pencils and paper, a handful of tokens or coins, and friends who enjoy being terrified.

Infinitely replayable, the House is different every single time. Featuring a simple Blackjack-based rules system, a complete game plays in a single session of 3 to 4 hours. Purgatory House is easy to play, easy to run... and easy to die.

The House always wins...
Can you be the few who survive?
